Adopt An Author

The Adopt An Author program is another way to support your library! It helps us stretch our budget to provide additional copies of your favorite books. We will place a bookplate in each sponsored book acknowledging your support. You will also be placed first on the hold list to get the books.

How It Works

- Fill out the form to the left and indicate what author(s) you want to sponsor.
- Each time your chosen author publishes a new title, you will be contacted for a donation of \$20.
- When the book arrives, it will be placed on hold in your name.
