The Board asked how much bad debt and overdue fines are outstanding. Andrea will provide the Board with a report on the fines at the next board meeting. 5. APPROVAL OF EXPENDITURES: A motion was made by Mary and supported by Sandra to approve the expenditures as presented in the board packet. Motion passed.

6. BUDGET REVIEW: The budget review was not available from the city. The board packet contained a current budget update. The update showed the penal fines and insurance distribution in FY 2017-18. Those items should be in FY 2016-17 and will be moved. We are also waiting for the final state aid check.

7. DIRECTOR’S REPORT: Andrea discussed our projected revenue and expenditures for FY2016-17. The Library is in very good shape this year. The City Council approved a 5 year contract for janitorial services that will start October 1. The cost to the Library is an increase from the previous company and we will need to do a budget amendment later this year to cover that increase. We live streamed the NASA feed of the solar eclipse and we estimate that 200-300 patrons attended. The Community Center was extremely generous and let us use the ballroom in order to handle the much larger than expected crowd. In addition to the live stream, we had snacks, a galaxy rock craft and coloring sheets for adults and kids. TLN has signed a 7 year contract with our new ILS vendor The Library Corporation (TLC). The ILS migration is tentatively planned for Memorial Day weekend when the Library is closed.

8. UPDATE FROM CITY COUNCIL: Nothing new to report.

9. UPDATE FROM THE FRIENDS OF THE LIBRARY: No one from the Friends was present and there was no update. The board packet contained the Friends Third Quarter Meeting minutes. Andrea also wanted to remind the board of the Friends Book Sale on October 18-21, 2017.

11. **UNFINISHED BUSINESS:** There was no unfinished business. A question about the status of the inspirational quotes artwork was asked. Andrea said the Quiet Study room has been updated with the inspirational quotes and we will be working on other areas in the future.

12. **NEW BUSINESS:**
   a. **Patron Survey** – Patron surveys provide useful information about why patrons are using the Library and what they would like to see in the future. Andrea has recommended that we conduct a user survey this fall. The board packet contained a draft of the survey and Andrea asked the board for their feedback. A suggestion was made to add “do you visit other libraries, if so, why?” The board decided that the survey should be distributed the week of October 23-28. That week has a lot of programming for all ages allowing us to reach a variety of users.

13. **CALL TO THE PUBLIC:** No public present.

14. **BOARD MEMBERS’ COMMENTS:**
   Sandra: The library staff did a great job dealing with the crowd at the eclipse program. It looks like a lot of thought went into the Fall programming.
   Al: Asked about the Around the Town Book Discussion at the Drafting Table.
   Jim: No comment.
   Mary: No comment.
   DeeDee: Asked if we are charged for 800 renewal #. Andrea explained that it is included in the services we receive from TLN.

My brother came home from college and talked my father into getting a TV. My father got hooked on the cowboys on TV but I was hooked on books.
